Dear Mr. Doyle:

In accordance with 47 CFR 73.1740(a)(4) I am writing to inform you that both WHDX-FM and WHDZ-FM have been off the air for ten consecutive days. The last transmissions for both of these stations occurred on March 15, 2013. These collocated stations broadcast from separate antennas on a common tower. The transmission facilities suffered some damage as a result of the strong winds and rains from Hurricane Sandy, and several other storms that followed this past winter.

The needed repairs to these facilities will not be completed before April 14, 2013. As a result, and again in accordance with 47 CFR 73.1740(a)(4), I am requesting permission to remain off the air for a period not to exceed March 15, 2014, which is the date on which the licenses for these stations will expire as a matter of law if I fail to resume broadcast operations, as described in 47 CFR 73.1750.

If you have any questions about this matter I may be reached at radiobuxton@yahoo.com, or 703-907-7421.

Best regards,

David Wilson
WHDX-FM/WHDZ-FM
