In re: Low Power Television Application of:
Digital Broadcast HD, Inc.
Channel 11, Wabasso, FL.
File no.: BPDVL-20130829AAY
Facility Id No.: 182253

Dear Applicant:

Within 30 days from the date of this letter, file an amendment to resolve the deficiencies that were discovered during the initial review of your application. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, the following three (3) deficiencies were found:

1. The 48 dBu digital protected contour of the above referenced proposed digital facility does not overlap with the 48 dBu protected contour of the existing digital license application license file number BLDVL-20130429ACC
2. The proposed site relocation is 35.8 miles which exceeds the Commission's 30 mile rule limitations.
3. There is a difference in the antenna latitude coordinates of 20 minutes. The antenna latitude coordinates specified in the above proposed construction permit is N 27 13 18 as compared to the latitude coordinates of the registration search results which is N 27 33 19.0 using registration number 1050334 as specified in the proposed construction permit.

Sincerely
