Re: WAVK (FM), Marathon, Florida
Vox Communications Group LLC
Facility Identification Number: 23294
Special Temporary Authorization
BESTA-20130905ACM

Dear Counsel:

This is in reference to the request filed September 5, 2013, on behalf of Vox Communications Group LLC ("VCG"). VCG requests a fourth extension of the special temporary authority ("STA") granted on September 27, 2011, to operate Station WAVK with reduced power.

VCG states that cannot operate at full power due to its current financial situation. The licensee has filed for a new construction permit (BPH-20130718AAM, filed July 18, 2013) and also for an assignment of license (BALH-20130829AHF, filed August 29, 2013). These applications are under review at this time.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

VCG has taken steps toward returning WAVK to full power operation, but additional time is required to process the applications cited above. Accordingly, the request for extension of STA IS HEREBY GRANTED . Station WAVK may continue to operate with reduced power. VCG must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **April 28, 2014**.

Sincerely,

Dale E. Bickel
