Re: WJJA-LP, East Berstadt, KY
Facility ID No. 133924
Appalachian Media Outreach
File No. BPL-20130919AFK

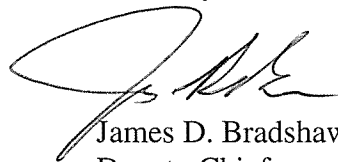

Dear Applicant:

This letter refers to the above-captioned application for a minor change to a licensed facility.

An engineering study has revealed that the proposed transmitter site fails to meet the minimum spacing requirements of 47 C.F.R § 73.807. Specifically, the site proposed is 54.4 kilometers from the licensed facility (BLH-19930111KD) of first-adjacent channel Class C3 Station WDKO-FM, Liberty, KY. The required spacing pursuant to § 73.807 is 67 kilometers.

Accordingly, in light of the above, application BPL-20130919AFK is unacceptable for filing and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw
Deputy Chief
Audio Division
Media Bureau
