Special Temporary Authority ("STA")
BSTA-20131114ARQ

Dear Counsel:

On November 14, 2013, you filed the present request for Special Temporary Authority ("STA") for Educational Media Foundation (EMF). EMF requests an STA to operate translator station K224DL with lesser, temporary facilities for one day (today) while it completes construction pursuant to construction permit BMPFT-20130326AAH. The temporary facilities are necessary because K224DL ceased operation on November 14, 2012, and so EMF must return K224DL to operating status **no later than today, November 14, 2013**, to avoid automatic cancellation of the station's license pursuant to Section 312(g) of the Communications Act.

Under the circumstances, we conclude that an STA for operation with the very short duration, lesser temporary facilities, is warranted, and the STA IS GRANTED. **This authority expires November 24, 2013. Please file a "Resumption of Operation" notice in CDBS immediately when operations pursuant to this STA commence.**

Sincerely,

Dale Bickel,
