Re: Cancellation of Construction Permit for a Digital Flash Cut
FCC File No. BDFCDTL-20100810AAX

Dear Ms. Dortch:

Ramar Communications, Inc. ("Ramar") holds a construction permit associated with Station KLBB-LP, Lubbock, Texas (Facility ID No. 55060; FCC File No. BDFCDTL-20100810AAX) ("Construction Permit"). Ramar, by its attorneys, hereby requests that the Construction Permit be canceled. The facilities authorized by the Construction Permit have been supplanted by the filing on November 12, 2013 of a digital companion channel application (FCC File No. BDCCDTL-20131112AXW), accepted for filing by the Commission today.

Please date-stamp the enclosed "Return Copy" of this filing and return it to the courier delivering the package.

Should there be any questions concerning this matter, please contact the undersigned.

Respectfully submitted,

Dennis P. Corbett
