Dear Applicant:

This refers to your attorney's letter dated October 21, 2013, for special temporary authority (STA) to operate at reduced effective radiated power (ERP). You indicate that WDAF-TV suffered a major failure in half of its transmitter. Accordingly, the station's capacity is limited to 50% of its authorized power until the repair of the damaged equipment. You state that reduced power operations will continue to be necessary while the applicant is trying to repair the failed system and restore full power operation.

In light of the above, special temporary authority pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules until May 19, 2014 IS GRANTED.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,
