Dear Mr. Hilliard:

This letter is in reference to the above-captioned minor change application filed by JCL to change site and reduce the tower height and efficiency.

A preliminary review of the application indicates that JCL has not paid all red light fees, therefore all pending JCL applications have been placed on a red light hold status, and no authorizations of any type can be granted until after JCL pays all red light fees. For more info on the red light rule and how to resolve, we recommend the JCL review the FCC's web page (http://transition.fcc.gov/debt_collection/#redlight), and then contact the Commission's Financial Operations Help Desk via e-mail at www.arinquiries@fcc.gov, or by phone at (877) 480-3201, Option 4, for further assistance.

Further action on the application will be withheld for 30 days from the date of this letter to allow time to pay all red light fees. Failure to pay all fees or file a formal response letter (in triplicate with the Secretary's office) concerning this matter within this time period will result in the dismissal of the application pursuant to Section 73.3568 of the Commission's rules.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Son Nguyen', with a stylized flourish at the end.
