Facility Id No.: 2258

Dear Applicant:

We are currently processing your above-referenced application. Our preliminary engineering review reveals that your proposed facility does not comply with the Commission's interference rules. Specifically, the proposal is predicted to cause interference to the following facilities:

1. WPPB-TV, Boca Raton, FL. – BPEDT-19991028ACM

We are unable to disregard this interference problem based on an assumption of action that may or may not result concerning another facility as requested in exhibit E-1 as attached to the above-referenced application; therefore, you are hereby given the opportunity to file a minor amendment to resolve these specified interference problems within (30) days from the date of this letter. If not so amended and the interference problem resolved, your application will be considered incomplete and subsequently dismissed.

Sincerely

Hossein Hashemzadeh  
Associate Chief  
Video Division
