In re: KIKO-FM, Claypool, AZ
Facility ID No. 11894
1TV.COM, Inc.
BPH-20130404ABO

Dear Applicant:

This letter refers to the above-captioned minor change application to modify channel and effective radiated power.

An engineering study reveals that both the facility site and the assignment site specified in the application fail to meet the minimum spacing requirement of 47 C.F.R. § 73.207 with respect to the co-channel Class C0 construction permit (BPH-20080915AFP) for KHOV-FM, Wickenburg, AZ. Specifically, the proposed facility is short-spaced by 34 kilometers and the assignment site is short-spaced by 22 kilometers. The required spacing pursuant to 47 C.F.R. § 73.207 is 239 kilometers while the facility spacing proposed in the application is 205 kilometers and the assignment spacing is 217 kilometers. Therefore, KIKO must amend the application to eliminate this short-spacing.

Pursuant to 47 C.F.R. § 73.3522, "... an applicant whose application is found to meet the minimum filing requirements but nevertheless is not complete and acceptable shall have the opportunity in the 30-day period specified in the FCC staff's deficiency letter to correct all deficiencies in the tenderability and acceptability of the underlying application, including any deficiency not specifically identified by the staff." Additionally, 47 C.F.R. § 73.3564 states that "[a]pplications with uncorrected tender and/or acceptance defects remaining after the opportunity for corrective amendment will be dismissed with no further opportunity for amendment." See Appendix B in the Report and Order in MM Docket No. 91-347. This letter constitutes your opportunity for corrective amendment pursuant to 47 C.F.R. § 73.3522.

Further action on the subject application will be withheld for a period of thirty days from the date of this letter to provide the applicant an opportunity to respond. Failure to correct all tender and acceptance defects within the thirty days from the date of this letter will result in the dismissal of the application with no further opportunity for corrective amendment pursuant to 47 C.F.R. § 73.3564. Please note, any amendment must be submitted in the same manner as the original application.

Sincerely,

Rodolfo F. Bonacci
