Dear Licensee:

This is in regard to the above-captioned license renewal applications. The Commission issued public notice for the license renewal grant for WMEU-CD on December 19, 2013 and for WMEU-LP on January 13, 2014. These applications were granted in error. Pursuant to our authority under Section 1.108 of the Commission's Rules,<sup>1</sup> we hereby reconsider and rescind the grant of both applications captioned above. We further inform the Licensee that the 2005 license renewal application for WMEU-LP (File No. 20050801BHY) remains pending.

Please feel free to contact Peter Saharko at 202-418-1856 should you have additional questions.

Sincerely,
