Subject: Change of COL

Dear Mr. Hashemzadeh;

I would like to change the city of license of my CP from Atascadero, CA to Morro Bay, CA. The Facility ID# is: 181228 and call sign is KCCF-LD. The permit # is: BMPDTL-20130320ADJ. This change of COL will not involve a change in the transmitter location or signal pattern.

I understand that an email request to you is what is needed for such a change to take place.

Thank you.
