In re: WAOQ(FM), Brantley, AL
Facility ID No. 825
Alatron Communications,
Inc. ("Alatron")
BPH-20121219ACP

Dear Applicant,

This letter is in reference to: (1) the above captioned application, as amended on March 1, 2013, to change the community of license from Goshen, AL to Brantley, AL; and (2) the February 5, 2013 Petition to Deny filed by BROADSOUTH COMMUNICATIONS, INC. ("BROADSOUTH"), licensee of WDXX(FM), Selma, AL.

On June 21, 2012, BROADSOUTH filed a Petition to Deny stating that WAOQ's application, as originally filed, failed to protect WDXX's construction permit (BPH-20120727AHA). However, Alatron Communications, Inc. addressed BROADSOUTH's concerns in its March 1, 2013 amendment by proposing a directional antenna. This amendment protects WDXX's construction permit. Accordingly, BROADSOUTH's Petition to Deny filed on February 5, 2013 will be dismissed as moot.

Therefore, in light of the above, the February 5, 2013, Petition to Deny filed by BROADSOUTH COMMUNICATIONS, INC., IS HEREBY DISMISSED AS MOOT. In addition, Application File No. BPH-20121219ACP, as amended on March 1, 2013, IS HEREBY GRANTED. The authorization is enclosed.

Sincerely,

Rodolfo F. Bonacci
