Fac Id: 35608

Dear Applicant:

This refers to your attorney's letter dated January 09, 2014, for special temporary authority (STA) to operate at reduced effective radiated power (ERP). You indicate that KSCI-TV suffered a major failure in its main transmitter. Accordingly, the station's capacity is limited to 15% of its authorized power until the repair of the damaged equipment. You state that reduced power operations will continue to be necessary while the applicant is trying to repair the failed system and restore full power operation.

In light of the above, special temporary authority pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules until July 16, 2014 IS GRANTED.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is positioned above the printed name and title.
