Facility Identification Number: 5887
File Number: BP-20130903AAD

Dear Applicant:

This letter refers to the above-captioned application for a minor modification of AM station WBCR(AM), Alcoa, Tennessee to change transmitter location.

A preliminary engineering review of the application reveals that the Environmental showing is not completed. Specifically, you checked "YES" in Item 11 of the FCC Form 301 and stated that an environmental study is being conducted simultaneous with the processing of this application. You should not check "YES", unless you unconditionally certify the proposal is fully in compliance with the requirements set forth in Section 1.1307(a) of the rules.

Accordingly, further action on the subject application will be withheld for a period of thirty (30) days from the date of this letter to provide you an opportunity to submit an amendment. Failure to amend or respond within this time period will result in the dismissal of the application pursuant to Section 73.3568. Please note that any amendment must be submitted in the same manner as the original application.

Sincerely,

Son Nguyen
