**Re: KREC(FM), Brian Head, UT, Facility No. 6784
Resumption of Licensed Operations**

Dear Ms. Dortch:

CCR-St. George IV, LLC, the licensee of KREC(FM), by its attorneys, hereby notifies the Commission that the station resumed licensed operations on Sunday, February 9, 2014.

The licensee recently was granted special temporary authority to operate KREC from temporary facilities with reduced power following fire damage to the station's generator facilities (BSTA-20140117AAO). KREC has resumed full-power operations from its licensed facilities and no longer needs to operate pursuant to STA.

Please contact Howard Liberman of this firm at 202-842-8876 or me with any questions.

Sincerely,

Alisa R. Lahey
