File No. BMPL-20140204ACC

Dear Applicant:

The staff has under consideration the above-captioned application for a minor change to a licensed facility. The application indicates changes in the composition of the board members.

Applications for voluntary assignment or transfer of control of a construction permit or a license must be filed on FCC Form 316 for a change where the original party or parties to the construction permit or license do not retain more than 50% interest as originally authorized.<sup>1</sup>

Accordingly, in light of the above, application BMPL-20140204ACC is unacceptable for filing and IS HEREBY DISMISSED. This action is taken pursuant to Section 0.283 of the Commission's Rules.<sup>2</sup>

Sincerely,

for James D. Bradshaw  
Deputy Chief  
Audio Division
