MOTION FOR EXTENSION OF TIME

CC Licenses, LLC (“CCL”), by its attorney, hereby requests an extension of time until March 31, 2014, by which to file a Reply to the “Opposition to Petition for Reconsideration” dated February 27, 2014, submitted by Solar Garden Learning and Entertainment (“SGLE”) in response to CCL’s Petition for Reconsideration against the grant of the captioned construction permit (the “LPFM CP”) for a new low power FM (“LPFM”) broadcast station on Channel 226 at Davis, California, File No. BNPL-20131115ABJ.

SGLE has been exploring with CCL alternatives to the channel currently specified for the proposed LPFM station. To the extent that SGLE would request a modification of the LPFM CP, that modification may impact the matters raised in the Petition for Reconsideration. Consequently, it would preserve the resources of the parties and the Commission if the requested extension of time for CCL’s Reply to the Opposition to Petition for Reconsideration is granted.

SGLE has been made aware of this request for an extension of time. The Audio Division staff is also being informed.

Respectfully submitted,

CCL LICENSES, LLC
