The College is filing its Further Supplement at the invitation of the Media Bureau staff to provide additional information for its consideration in connection with this case. As the Further Supplement is being filed pursuant to a request from the Commission's staff, which was communicated to undersigned counsel on November 5, 2012, the College is, once more, moving with alacrity to provide the information. Therefore, good cause exists for accepting and considering the College's Further Supplement.

Wherefore, the College respectfully requests the Media Bureau to accept and consider its Further Supplement to Petition for Reconsideration.
