File No. BNPL-20131113AKP

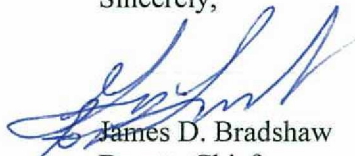

Dear Applicant:

The staff has under consideration the above-captioned application for a new low power FM (LPFM) station.

According to the Commission's rules (the "Rules"), a LPFM station will only be licensed to a nonprofit educational organization upon showing that the station will be used for the advancement of an educational program. Section 73.853 of the Rules requires such a LPFM applicant to be a registered non-commercial educational organization or institution.¹ Applicants are required to submit complete copies of the documents establishing their nonprofit status, such as corporate charters or articles of incorporation.² You have failed to submit any such documentation. Therefore, the application will be dismissed.

Accordingly, application BNPL-20131113AKP is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED.³ This action is taken pursuant to 47 C.F.R. § 0.283

Sincerely,

James D. Bradshaw
Deputy Chief

² See Instructions for FCC Form 318, Section II, Question 2. See also, FCC Form 318, Section II, Question 2.

³ Under the Public Notice entitled "Commission States Future Policy on Incomplete and Patently Defective AM and FM Construction Permit Applications," FCC 84-366, released August 2, 1984, the Commission indicated that it would reinstate applications *nunc pro tunc* where the original application was dismissed and where a minor curative amendment was filed within thirty days. Please note that any amendment submitted for this purpose must be received within 30 days of the Public Notice of the dismissal of the application and must correct ALL acceptance defects with the application. This includes any defects that may not have been identified in the dismissal letter.
