**Re: Notification of Reduced Power
KQRI(FM), Bosque Farms, New Mexico (FIN: 84247)**

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of noncommercial FM station KQRI(FM), Bosque Farms, New Mexico and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that KQRI(FM) has been operating at reduced power since January 11, 2014.

KQRI(FM) has been operating at approximately eighty-four percent power due to a utility line voltage change. EMF has repairs scheduled to take place in the upcoming days and hopes to have the problem resolved this week. If EMF is unable to return KQRI(FM) to full power operation within 30 days, EMF will request special temporary authority to allow KQRI(FM) to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary N. O'Connor
