In Re: BMJPL-20131112BFB

Dear Technical Processing Group,

This is to notify you that KPIK-LP, in reference to the above noted contruction permit, conducted equipment testing and signal tests in the night/early morning hours of Friday June 6, 2014 through Sunday June 8, 2014. Brief intermittent testing may also take place after this date.

Best Regards,

  
John G. Zolkoske  
President,  
Santiam Community Radio
