Re: Notification of Resumption of Full Power Operation
Board of Regents of the University of Wisconsin System
NCE Station KUWS(FM), Superior, Wisconsin (Facility ID 4289)

Dear Ms. Dortch:

On behalf of the Board of Regents of the University of Wisconsin System (the "University"), licensee of noncommercial educational radio Station KUWS(FM), Superior, Wisconsin, we hereby inform the Commission that KUWS has resumed full power, licensed operation following a period of reduced power operation.

The University previously notified the Commission in File No. BSTA-20140218AGG of KUWS's temporary reduced power status due to equipment problems, and requested Special Temporary Authority for the reduced power operation to continue for more than 30 days. The Commission granted reduced power STA for KUWS on February 27, 2014. The licensee now notifies the Commission that KUWS has resumed full power operation.

The University is a noncommercial educational licensee and operates KUWS on a noncommercial educational basis. Moreover, the University qualifies as a governmental entity. The University is therefore exempt from FCC filing fee and regulatory fee requirements for KUWS, pursuant to Sections 1.1116 and 1.1162 of the Commission's rules. Should any questions arise regarding this matter, kindly contact this office.

Very truly yours,

Barry S. Persh
