In re: Low Power Television Application of:
Frank Digital Broadcasting, LLC
Channel 23, Fargo, ND.
File no.: BMPDTL-20140522ADP
Facility Id No.: 185736

Dear Applicant:

The above referenced application is hereby dismissed.

On June 12, 2014, the licensee as addressed above was sent the following 30 day deficiency letter:

Within 30 days from the date of this letter, file an amendment to resolve the deficiency that was discovered during the initial review of your application. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, your proposed antenna relocation is 32.8 miles which exceeds 30 mile rule. Your request for waiver of the 30 mile rule has been reviewed and determined not to be in the best interest of the public; therefore the waiver request is denied.

Our records show that no amendment has been filed as of July 16, 2014, to resolve the above deficiency issue.

Sincerely

Hossein Hashemzadeh
Deputy Chief
