Re: KFCW (formerly KTRZ) (FM), Riverton, WY  
Edwards Communications, LC  
Facility Identification Number: 72899  
Special Temporary Authority  
BSTA-20140716ADW

Dear Counsel:

This is in reference to the request filed July 16, 2014, on behalf of Edwards Communications, LC ("Edwards"). Edwards requests an extension of the Special Temporary Authority (STA) granted January 30, 2014 to the previous licensee of this station. As the new owner, Edwards states that it is refurbishing a secondhand transmitter and expects to resume licensed operation in the near future. The STA extension would cover the current reduced power operation while repairs are underway.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

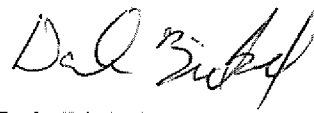

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

The licensee is making significant progress toward restoring licensed operation.

Accordingly, the request for STA IS HEREBY GRANTED. Station KFCW may continue to operate with reduced power. Edwards must notify the Commission when licensed operation is restored. Edwards must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. See 47 CFR § 1.1310.

This authority expires on **October 30, 2014**.

Sincerely,

A handwritten signature in black ink, appearing to read "Dale Bickel". The signature is fluid and cursive, with the first name "Dale" and last name "Bickel" clearly distinguishable.
