RE: Notice of Resumption of Full Power by Station KSNY-FM, Snyder, Texas

Dear Mr. Bickel:

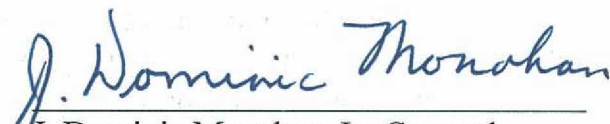

On December 11, 2013, Snyder Broadcasting Company, the licensee of Station KSNY-FM, Snyder, Texas, Facility No. 60711, notified the Commission that it had been forced to reduce power as the result of the recently installed antenna was struck by lightning sometime over the weekend of November 23, 2013, resulting in two holes and the loss of the transmitter. Please be advised that as of July 5, 2014, the station returned to full licensed power and has continued to operate satisfactorily.

An extra copy of this transmittal letter is enclosed, as well as a pre-addressed, stamped envelope. Please confirm your receipt of the filing of this notice by date stamping the extra copy of this transmittal letter and returning it to the undersigned counsel.

Should additional information be desired concerning this notice, please contact the undersigned counsel.

Respectfully submitted,

SNYDER BROADCASTING COMPANY
