**Subject: Request of dismissal of Application BTCL – 20140131AAJ**

To whom it may concern,

I am writing this letter to you with regards to our application number BTCL - 20140131AAJ which we filed with the Federal Communications Commission (FCC) on 1/31/2014. An FCC official contacted us regarding our current application and after some questions and answers she advised us to voluntarily request the FCC to dismiss our current application and file the right application.

Since we believe that we had erroneously filed a different application than the one we meant to file, I am writing to you requesting the dismissal of the existing application. This would enable us to file the appropriate application for the Consent to Assignment of License for a Low Power FM station.

Pentecostal Church of God I.M. understands all the rules and regulations of the FCC and seeks to uphold all the rules and laws pertaining to existing Low Power FM stations.

We are looking forward to hearing from you.

Sincerely yours,

*Harry Marroquin*
