Dear Ms. Dortch:

On behalf of WZOE, Inc. (the "Licensee"), licensee of WRVY-FM (the "Station"), Henry, Illinois, we hereby notify the Commission that the Station's antenna structure has been replaced, and the Station has resumed operations from its authorized transmitter site as of August 15, 2014. This letter also serves to notify the Commission that the Station is operating at reduced power, approximately 33%, due to a transmitter failure. A request for Special Temporary Authority will be filed if reduced operations will continue beyond 30 days.

Please direct any communications regarding this matter to the undersigned.

Respectfully submitted,
