Re: KURU (FM), Silver City, NM
Gila/Mimbres Community Radio
Facility Identification Number: 171541
Special Temporary Authority
BSTA-20140828AEJ

Dear Counsel:

This is in reference to the request filed August 28, 2014 on behalf of Gila/Mimbres Community Radio ("GMCR"). GMCR explains that it has ordered a new transmitter to replace the unit that failed, and delivery is expected in the near future. GMCR requests an extension of the May 28, 2014 Special Temporary Authority (STA) for continued operations at reduced power until repairs can be completed or the transmitter replaced.

Accordingly, the request for STA extension IS HEREBY GRANTED. Station KURU may continue to operate with reduced power. GMCR must notify the Commission when licensed operation is restored. GMCR must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **December 4, 2014**.

Sincerely,

Dale Bickel
Senior Engineer
Audio Division
Media Bureau
