Re: Notification of Resumption of Full Power Operation
Navajo Ministries, Inc.
NCE Station KNMI(FM), Farmington, NM (Facility ID 47890)

Dear Ms. Dortch:

On behalf of Navajo Ministries, Inc., licensee of noncommercial educational radio Station KNMI(FM), Farmington, New Mexico, we hereby inform the Commission that KNMI has resumed full power, licensed operation following a period of reduced power operation.

The licensee previously notified the Commission in FCC File No. BSTA-20140602BAU of KNMI's temporary reduced power status due to equipment problems, and requested Special Temporary Authority for the reduced power operation to continue for more than 30 days. The Commission granted reduced power STA for KNMI on June 4, 2014. The licensee now notifies the Commission that KNMI has resumed full power operation.

The licensee is a noncommercial educational licensee and operates KNMI on a noncommercial educational basis. The licensee is therefore exempt from FCC filing fee and regulatory fee requirements for KNMI, pursuant to Sections 1.1116 and 1.1162 of the Commission's rules. Should any questions arise regarding this matter, kindly contact this office.

Very truly yours,

Barry S. Persh
