Re: KHRD Auxiliary Antenna authorization BXLH-20060206ADL

Dear Ms. Dortch:

Results Radio of Redding Licensee, LLC, licensee of the above referenced auxiliary antenna authorization seeks to surrender that authorization since the subject antenna was moved to a different location on the same tower at a slightly higher elevation and is currently licensed under BXLH-20091228ADI. BXLH-20060206ADL is therefore not needed and should be cancelled. Both authorizations are associated with FM station KHRD, Facility ID 82720.

If more information is needed, I can be reached at 707-546-9185 during office hours, or by email at [ronc@sonic.net](mailto:ronc@sonic.net).

Sincerely,

Ronald E. Castro  
Chief Technical Officer
