Re: **Notification of Resumption of Licensed Nighttime Operations**
Cumulus Licensing LLC
Station WVNN(AM), Athens, Alabama
Facility Identifier Number 3084
File Number BSTA-20140826ABQ

Dear Ms. Dortch:

This letter, filed in triplicate on behalf of Cumulus Licensing LLC ("Cumulus"), the licensee of Station WVNN(AM), notifies the Federal Communications Commission that the Station's tower for its studio-transmitter link has been erected, the antenna installed and the link restored. The Station is operating during nighttime hours according to its licensed nighttime specifications. As a result, Cumulus no longer needs the aforementioned Special Temporary Authority which allowed WVNN to remain silent during nighttime hours.

If there are any questions about this Notification, kindly contact undersigned counsel for Cumulus Licensing LLC.

Sincerely,

Mark Lipp
