**Re: Notification of Reduced Power
KKLV(FM), Kaysville, UT (FIN: 69553)**

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of noncommercial FM radio station KKLTV, Kaysville, Utah and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that KKLTV has been operating at reduced power since September 28, 2014.

KKLTV has been operating below 90% of its authorized power since September 28, 2014 due to a failing component in the transmitter. EMF has ordered replacement parts and expects to make repairs within the next week. In the unlikely event EMF is unable to return KKLTV to full power operations within 30 days, EMF will request special temporary authority to allow KKLTV to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary N. O'Connor
