Re: MDCL Waiver Request
WMKT 1270 AM (Facility ID No. 215) @ Charlevoix, Michigan

Dear Sir/Madam:

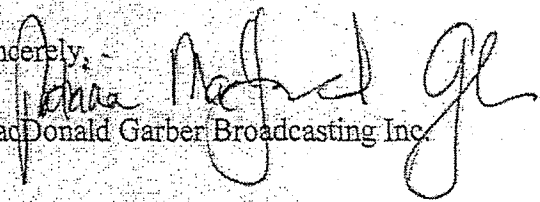

Macdonald Garber Broadcasting, Inc., is the licensee of AM Radio Station WMKT, Charlevoix, Michigan (FCC ID No. 215, File No. BL-20060308AMI). We would like to employ the use of energy-saving MDCL technology in the operation of this broadcast station.

In accordance with the procedure outlined in Public Notice, DA 11-1535, dated September 13, 2011, Macdonald Garber Broadcasting hereby requests that the WMKT station license be modified to include a waiver of 47 C.F.R. §73.1560(a) so that WMKT can employ Modulation Dependent Carrier Level (MDCL) control.

WMKT will employ the MDCL/DCC feature on its Nautel XR25 main transmitter.

Should the Commission act favorably upon this MDCL Waiver Request, please issue a modified station license to reflect the same.

Sincerely,

MacDonald Garber Broadcasting Inc.
