Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Martin:

This letter concerns the request you filed on October 16, 2014, on behalf of Calvary Radio Network, Inc. ("CRN"), for extension of Special Temporary Authority to permit FM Radio Station WCNM to remain silent.

Commission records reflect that CRN stated that Station WCNM(FM) went silent on January 25, 2014, for technical reasons. The previous STA was granted on April 21, 2014, and expired on October 18, 2014. CRN requests extension of its STA for continuing technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

CRN's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WCNM(FM) to remain silent until January 25, 2015. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WCNM(FM) will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., January 26, 2015.**¹ See Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. See 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,

Lisa Scanlan
Assistant Chief, Audio Division
Media Bureau

¹ In addition to filing electronically with the Commission on the date operations resume, notification of resumption of broadcast operations must be emailed to Denise.Williams@FCC.gov.
