Notification of License Expirations

Dear Mr. Gomberg:

Our records indicate that the stations referenced above have been silent since at least November 30, 2012. Therefore, pursuant to Section 312(g) of the Communications Act, as amended,¹ the stations' licenses expired as a matter of law at 12:01 A.M., December 1, 2013. Unless we receive documented evidence² within 30 days of the date of this letter that our records incorrectly reflect the operational status of the stations and that, in fact, one or both stations returned to the air with authorized facilities at some time between November 30, 2012, and 12:01 A.M., December 1, 2013, the Commission's public and internal databases will be modified to indicate that the broadcast licenses for the referenced stations ARE EXPIRED, that the station's licenses ARE CANCELED as a matter of law, and that the stations' call signs ARE DELETED.

Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the stations' towers be maintained until each tower is dismantled. Accordingly, the owners of the towers where the referenced stations' transmitting antennas are located are required,

² Such evidence must indicate the dates broadcasts ceased and resumed, and the transmitter site location, effective radiated power and antenna height above ground level for all periods of operation. This evidence includes copies of leases, personnel records, engineering records, station logs, quarterly issues/programs lists, invoices, bills, checks written or received, credit card charges, wire transfers or deposits of funds relating to the station's operation from November 30, 2012, to the present. Also include pictures of the stations' facilities during this timeframe, and provide exact transmitter site coordinates.

pursuant to 47 U.S.C. Section 303(q), to maintain the towers in the manner prescribed by our rules and the terms of the cancelled licenses.³

Please direct any questions concerning the content of this letter to Victoria McCauley, Attorney, phone (202-418-2136), fax (202-418-1411), or e-mail (Victoria.McCauley@fcc.gov).
