Facility Identification Number: 22659
Special Temporary Authority (STA)
BESTA-20141107ADT

Dear Licensee:

This is in reference to the request filed November 7, 2014, on behalf of Friends of WWOZ, Inc. ("Friends"). Friends seeks an extension of the May 6, 2014 STA to continue operating with reduced power. Friends recently ordered a new transmitter and expects delivery soon.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

We find that extension of STA is warranted, and the extension IS HEREBY GRANTED. WWOZ may continue to operate with reduced power.

Friends must notify the Commission when licensed operation resumes. Friends must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. See 47 CFR § 1.1310.

This authority expires on February 20, 2015.

Sincerely,

Dale Bickel
