In re: WPUL(AM), South Daytona, FL
Facility ID No. 53704
Silent since February 18, 2014

Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Kelly:

This letter concerns the request you filed on November 24, 2014, on behalf of PSI Communications, LLC ("PSIC"), for extension of Special Temporary Authority to permit AM Radio Station WPUL to remain silent.

Commission records reflect that PSIC stated that Station WPUL(AM) went silent on February 18, 2014, for technical reasons. The previous STA was granted on May 28, 2014, and expired on November 24, 2014. PSIC requests extension of its STA for continuing technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

PSIC's request is granted. Accordingly, Special Temporary Authority is granted to permit Station WPUL(AM) to remain silent until February 18, 2015. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station WPUL(AM) will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., February 19, 2015.**¹ See Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. See 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,

Lisa Scanlan
Assistant Chief, Audio Division
Media Bureau

¹ In addition to filing electronically with the Commission on the date operations resume, notification of resumption of broadcast operations must be emailed to Denise.Williams@FCC.gov.
