Special Temporary Authority

BSTA-20141212ABG

Dear Licensee:

This is in reference to the request filed December 12, 2014, on behalf of Educational Media Foundation ("EMF"). EMF recently discovered discrepancies with the elevations specified on the station license, and will soon be filing a construction permit application to make corrections to the parameters specified in this STA request. EMF requests special temporary authority ("STA") to maintain operations while that application is filed and processed by the staff.

The request for STA IS HEREBY GRANTED, to maintain KGRI's operations with the parameters requested in the STA filing. EMF must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on June 14, 2015.

Sincerely,

Dale Bickel Senior Engineer Audio Division Media Bureau

Del Bick
