**CONSENT MOTION FOR EXTENSION OF TIME**

WRVU Friends & Family ("Friends"), by counsel, hereby respectfully requests an extension of the time, until and including August 23, 2012, in which to file a Reply to the proposed Opposition of Vanderbilt Student Communications, Inc. ("VSC") in response to Friends' Petition to Deny in the above-captioned matter. Additional time is necessary due to the previously scheduled summer vacation of Friends' counsel. This represents a brief one-week extension beyond the ordinary filing deadline specified in the Commission's rules and will not materially delay resolution of this proceeding.

Counsel for VSC has consented to this request.
