Special Temporary Authority
BESTA-20141215AAZ

Dear Licensee:

This is in reference to the request filed December 15, 2014 on behalf of Edwards Broadcasting Co. ("EBC"). EBC explains that a new transmitter building has been constructed, but new difficulties have precluded a return to licensed operation. At present, ECB expects to return to licensed operation in January or February of 2015. ECB requests an extension of the July 1, 2014 Special Temporary Authority ("STA") to operate at reduced power (currently 10 kW).

The request for STA extension IS HEREBY GRANTED. Station KKHA may continue to operate with reduced power, as needed. EBC must notify the Commission when licensed operation is restored. EBC must use whatever means are necessary to protect workers and the public from radiofrequency exposure in excess of the Commission's exposure guidelines. See 47 CFR § 1.1310.

This authority expires on **April 8, 2015**.

Sincerely,

Dale Bickel
