In re: Low Power Television Application of:
EICB-TV East, LLC
Channel 32, Farmington, NM.
File no.: BPDTL-20141112ALP
Facility Id No.: 183794

Dear Applicant:

We are currently processing the above captioned application. Our preliminary analysis indicates the following:

The proposal is predicted to cause interference to the following facilities:

1. K32IJ-D, Cortez, CO. – BLDTT-20110331AEY at 2.1%
2. KRTN-TV, Durango, CO. – BLCDT-20081029AAA at 12.4%

If you do not amend your application electronically within 30 days from the date of this letter to resolve the above deficiencies, we will dismiss your application.

Sincerely

Hossein Hashemzadeh
Deputy Chief
Video Division
Media Bureau
