Dear Hossein,

I hope all is well with you and that you, your family and staff and their families have a wonderful holiday season.

So, Dear Santa, would you be so kind to ask one of your elves to process W38BQ Huntsville, AL FID 67020 BMPDTA-20141211AAE? If it hasn't been done, **the BMPDTA-20141106 ABU application needs to be dismissed since it was filed in error.**

Thanks
Dan
