Subject: Request for dismissal of pending mod. app BMPDVL-20141126AJW and cancellation of Construction Permit BDFCDVL-20100421AAU, as modified by BMPDVL-20121022ACC
Date: Tuesday, January 20, 2015 10:04:54 AM

Dear Mr. Hashemzadeh - At the request of my client, Island Broadcasting LLC ("Island"), licensee of WNYZ-LP, New York, NY (Facility ID No. 56043), this is to request the following two actions:

(1) dismissal of the pending modification application (File No. BMPDVL-20141126AJW for Island's digital flash-cut Construction Permit (File No. BDFCDVL-20100421AAU, as modified by BMPDVL-20121022ACC), and

(2) cancellation of the digital flash-cut Construction Permit BDFCDVL-20100421AAU, as modified by BMPDVL-20121022ACC) .

The modification application did not clear the Video Division's interference analysis, but Island has been assured by engineering experts that a new flash-cut CP will clear that analysis. Therefore, Island plans to file a new flash-cut application as soon possible after dismissal of the pending modification application and cancellation of the flash-cut CP. Should you have any questions concerning this matter, please contact me.

Thank you. Shelley Sadowsky
