Gentlemen:

This refers to your attorney's letter dated January 26, 2015 requesting special temporary authority to remain silent. You indicate that KABY's tower did not pass a recent inspection, requiring the station to quickly take steps to have it deconstructed and removed from the site. You mentioned KABY will be silent over-the-air pending construction of a replacement tower.

In light of the above, special temporary authority to remain dark pursuant to Sections 73.1740 of the Commission's Rules until July 28, 2015 IS GRANTED.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
