In re: WTBN (AM), Pinellas Park, FL  
Facility Identification Number: 51985  
Common Ground Broadcasting, Inc. (CGB)  
Special Temporary Authority (STA)  
BESTA- 20150112ABU

Dear Mr. Jazzzo:

This is in reference to the request filed on January 12, 2015. CGB requests further extension of the STA granted on December 6, 1994, for operation of Station WTBN with increased power at night due to Cuban interference. In support of the request, CGB stated that the Cuban interference continues.

Accordingly, the request for extension of STA IS HEREBY GRANTED. Station WTBN may continue to operate with 10 kW at night. This authority is subject to termination upon reduction of power or cessation of operation by the Cuban operation or upon Commission instruction to return to licensed operation. It will be necessary to reduce power if interference complaints are received.

This authority expires on **August 6, 2015.**

Sincerely,

Joseph Szczesny, Engineer
