**Re: Notification of Reduced Power
KKLU(FM), Lubbock, TX (FIN: 5174)**

Dear Ms. Dortch:

On behalf of Educational Media Foundation ("EMF"), the licensee of noncommercial FM radio station KKLK, Lubbock, Texas and pursuant to Section 73.1560(d) of the Commission's rules, this letter is to notify the Commission that KAER has been operating at reduced power since December 10, 2014.

KKLU has been operating below 90% of its authorized power since December 10, 2014 due to a transmitter failure. EMF is hopeful that repairs will be completed and it will be able to return KKLK to full power operations in the next few weeks. In the unlikely event EMF is unable to return KKLK to full power operations within 30 days, EMF will request special temporary authority to allow KKLK to continue operating at reduced power, as required by the Commission's rules.

Should there be any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Mary N. O'Connor
