Dear Applicants:

This is in reference to the above-captioned mutually exclusive applications for new Low Power FM (“LPFM”) stations.

By Public Notice (“PN”) dated July 9, 2014, the Commission announced the mutual exclusivity of the captioned applications.¹ The PN also identified the captioned applications as tied tentative selectee applicants, and provided a 90-day period for the applicants to file settlements, major amendments, or voluntary time-share proposals. The subject applicants did not enter into a voluntary time-share agreement and remain mutually exclusive and tied for the same number of points.

applicant that has been local for the longest uninterrupted period of time,³ then assigning hours to the applicant that has been local for the next longest uninterrupted period of time. We are now providing the applicants thirty (30) days to simultaneously and confidentially submit their preferred time slots. We will use the information provided by the applicants to assign time slots, per the rules.⁴ During this 30 day period, we will continue to entertain voluntary time-sharing arrangements. Applicants that are unable or unwilling to submit voluntary time-sharing arrangements and that instead choose to CONFIDENTIALLY submit their preferred time slots MUST select one of the time slots described in note 4, below.

Action on the applications will be deferred for thirty days from the date of this letter to permit the applicants to respond. Any time-share agreements must be submitted in writing, as an amendment to one or more of the applications (with a copy to the email addresses listed below), signed by each applicant, and satisfy the following requirements: (1) the agreement must include all applicants captioned on this letter; (2) the proposal must specify the proposed hours of operation of each time-share proponent; (3) the proposal must not include simultaneous operation of the time-share proponents; and (4) each time-share proponent must propose to operate for at least 10 hours per week.⁵ Any confidential requests for preferred time slots must be emailed to: gary.loehrs@fcc.gov and james.bradshaw@fcc.gov.⁶ Failure to designate a preferred time slot, or failure to designate a time slot provided by the rules, will result in the staff selecting a time slot for the applicant.
