Re: Notice of Correction in Main Studio Location Notice Filed with FCC
On March 23, 2015

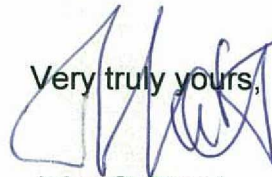

Dear Madam Secretary:

On behalf of **The Power Foundation**, ("Power") this is to provide notice of two corrections to the official notification of a change in the Main Studio location of the Stations which Power filed through the Secretary's Office on March 23, 2015 (copy of filing attached). These corrections are as follows:

1. The community of license for WILF (FM) (FAC# 89620) should be Monroeville, AL (not Monroe, AL). This was a typographical error.
2. WWQA (FM), N. Granby, CT (FAC# 177424) was deleted and should not have been listed.

The new Main Studio for the Stations is correct as listed in the original March 23, 2015 filing. Should there be any questions regarding this corrected Notice, please contact this office.

Very truly yours,

John C. Trent
