SUBJECT: December 18th Decision, DA 14-1859, FM Channel 225C3 assigned from Clatskanie to Napavine for Threshold Communications

Gentlemen:

As Police Chief of Clatskanie, I am asking for your consideration of denying the request by Threshold Communications to move the assignment of the above mentioned FM radio channel to Napavine from Clatskanie.

To have the availability of the establishment of a radio station in our community is invaluable, particularly with respect to law enforcement and emergency situations. Our community is very rural and opportunities for mass information dissemination are extremely limited. Our local newspaper is a weekly publication and we have no local TV access. To have the radio media venue would be very important for public safety.

Our population will grow in the near future as proposed industrial development occurs in our area. We believe there will be a market for the establishment of a radio station as families settle in the Clatskanie community. In addition coverage would reach to other rural areas surrounding us.

Thank you for considering leaving the assignment of FM Channel 225C3 in the Clatskanie area. If I may be of further help, please contact me.

Sincerely,

Chief Marvin Hoover
